

Good morning,

Registration for NYSAR's GRI classes via live webinar is now available. The courses are discounted to just \$25 each for members. Our first available class is GRI-7 Property from Monday April 6 through Wednesday April 8. Each 7.5-hour GRI course will be offered in 2.5-hour segments over three consecutive business days.

Those interested in participating must use a device with a camera and microphone. Registrants must also download the course manual in advance and have it available on a separate screen for use during class. Registrants should view a short tutorial prior to the start of class and sign in at least 15 minutes before the first session begins. In order to earn credit, licensees must participate in the full 7.5 hours of each course.

Class size will be limited to 20 registrants on a first-come, first-served basis. Additional classes may be added based on member needs.

You can access the latest NYSAR education schedule available at NYSAR.com. Should you have any questions regarding registration or upcoming course selections, please feel free to call 1-800-239-4432 x219.

We hope you enjoy the valuable information, low cost and convenience of these live, remote classes.

Regards,
Priscilla Toth
NYSAR Director of Education
