

Good morning IBR members,

Good morning, IBR members,

In an effort to keep you as informed as possible, we have created [a page on the IBR website](#) that contains a chronological digest of all communications related to the COVID19 pandemic. You can access it from the link above, or from the "FOR MEMBERS" pulldown menu on the IBR home page.

In addition, NYSAR maintains [an excellent site on the pandemic](#), which may answer many of your questions. NYSAR updates this site whenever new information is obtained.

Stay well,
IBR Staff
