Subject: Webinar Offered: COVID-19 and Mortgage Lending

IBR members,

Brendan Burns is inviting you to a Zoom meeting on Tuesday, April 7.

COVID-19: Impact on Mortgage Lending

COVID-19 is having a dramatic impact on mortgage lending in communities across the United States. Please join me for an overview of what this impact has been so far and what we, the real estate community, can expect going forward. This is intended to provide you with information we have gathered, which we hope will help you as you continue to be the trusted advisers of our local home buyers. Our experts have been closely monitoring the mortgage lending situation and we look forward to sharing this information with you in a brief session. Please let me know if you have any other feedback concerning how we at Movement Mortgage can provide additional support to our real estate community, as we weather this storm together.
