Dear NYSAR members,

We would like to inform you that we have retained Spectrum Associates Market Research to conduct a member-wide online survey regarding doing business during the COVID-19 state of emergency.

The survey you will be receiving on Saturday, April 4 will come from Dorinda Richetelli of Spectrum Associates whose email address is [drichetelli@spectrumassociatesct.com](mailto:drichetelli@spectrumassociatesct.com). Please do not disregard her email. Your input is critical and we would appreciate participation from as many NYSAR members as possible.

Thank you for taking the time to read this email and we appreciate your participation.

Sincerely,  
Duncan MacKenzie  
NYSAR CEO
