**April 28, 2020**

Dear NYSAR members,

NYSAR has received several inquiries from members regarding the pending status of their Pandemic Unemployment Assistance. Please reference the information below per the New York Department of Labor's website:

**NOTE:** *If you have already applied for PUA: You can check the status of your claim online by logging into your NY.Gov account on the DOL website. If you see it is still pending, no action is required; we [NYDOL] have added thousands of DOL representatives who are working seven days a week to process your claim as quickly as possible. If you see it has been denied, fill out the PUA application link that is in your account mailbox; if there is no link in your mailbox, fill out a new PUA application.*

A link to the online application can be found on this page:
