May 6, 2020

Dear fellow NYSAR members,

I hope this email finds all of you safe and well. Please take a moment to view the video update below regarding NYSAR's guidance to Governor Cuomo as he plans to allow real estate businesses to re-open during Phase 2 in regions that meet COVID-19 targets for safety.

The letter to Governor Cuomo can be found in the COVID-19 FAQ's at [NYSAR.com](https://www.nysar.com)

Please remember, the Governor's Executive Order stopping in-person contact has not changed. Please continue to serve consumers virtually until further notice from New York State.

Regards,  
Jennifer Stevenson
