**Subject:** Tompkins County is in Phase Two of Reopening

IBR members,

As announced by Governor Cuomo this afternoon, the Southern Tier Region, which includes Tompkins County, has moved into Phase Two of the reopening plan. As required by the plan, the Ithaca Board of Realtors has developed a [Reopening Safety Plan](#) for the board office. This is the plan that the IBR will use, going forward. Please note that all visits to the office, for the foreseeable future, will be by appointment only, to ensure the safety of staff and visitors.

We will be cleaning and preparing the office on Monday and Tuesday, and staff will be in and out those days. Beginning Wednesday, there will be a person in the office during normal business hours.

Thank you for your understanding.
